

RAIL AND CRUISE VACATIONS - DEPARTING VANCOUVER

Rocky Mountaineer is pleased to continue its partnership with Holland America for our 2011 Rail & Cruise Vacations.

We have selected the ms Zuiderdam, a Vista-class ship offering 7 night Inside Passage cruises to Glacier Bay. She embraces the latest industry and environmental technologies, such as her use of a diesel-electric power plant for optimal energy efficiency and an Azipod propulsion system.

Like all of Holland America's ships, the ms Zuiderdam is graced with small touches like an abundance of fresh flowers and bold strokes like fine art, sculptures and antiques from around the world. A Waterford Crystal Seahorse sets the mood for exquisite pieces of art to be seen throughout this elegant ship. Other notable pieces include a painting of Queen Beatrix by pop culture artist, and icon, Andy Warhol, medallions by Frank Lloyd Wright, cast aluminum elevator doors inspired by the art deco work of the New York Chrysler Building, and a massive floral painting by Charles Ben. You will also discover a large collection of antiques and centuries-old paintings throughout the ship. The ms Zuiderdam is designed to carry fewer guests, offering more space in which to enjoy each voyage of discovery.
