Your licensed interpreter will lead this leisurely walk as you explore the abundant flora and fauna along these routes that often offer incredible opportunities to spot wildlife. Marvel at snow-capped peaks during the month of June, in mid-summer the forest and alpine meadows are ablaze in glorious wildflower shades of red, blue, yellow and white. By late August and through the month of September, the mountain landscapes glow with the red, orange, and gold of larch and aspen woods. Transportation to and from the trailhead is included.
