Day 1 Seattle to Vancouver

Check in at Seattle's King Street Station for the first leg of your Rocky Mountaineer journey to Vancouver.

After boarding, toast the rail voyage ahead and enjoy dinner onboard as you travel past the Chittenden Locks linking Puget Sound to Lakes Union and Washington as you wave goodbye to Seattle. Highlights include the fishing fleet (and Boeing jets) of Everett, the fields at the foot of the Cascade Mountains near Mount Vernon, sunset views of Bellingham Bay and the San Juan Islands beyond, and after crossing the Canadian border, the community of White Rock as the train hugs the Pacific Coast and travels into Vancouver. On arrival in Vancouver, a motorcoach will transfer you from Pacific Central Station to your nearby downtown hotel. Overnight in Vancouver. D.

Day 2 Vancouver to Kamloops

Travel onboard the Rocky Mountaineer from the coastal city of Vancouver to Kamloops, in the heart of British Columbia's interior. On today's journey you will see dramatic changes in scenery, from the lush green fields of the Fraser River valley, through forests and winding river canyons surrounded by the peaks of the Coast and Cascade mountains, to the desert-like environment of the interior. Highlights include the rushing waters of Hell's Gate in the Fraser Canyon and the steep slopes and rock sheds along the Thompson River. Your day concludes as the Rocky Mountaineer travels along the shores of Kamloops Lake and into Kamloops. Overnight in Kamloops. B, L.

Day 3 Kamloops to Lake Louise or Banff

Your journey continues eastwards to the mighty Canadian Rockies and the province of Alberta. Once again you will see a spectacular array of scenery as you travel across ranchlands, along rocky lakeshores, over high mountain passes and through the remarkable tunnels that form part of the rich rail history of the Canadian Rockies. Today's highlights include Craigellachie, where the last spike of the Canadian Pacific Railway was driven, the climb over Rogers Pass, the Kicking Horse Canyon, the Spiral Tunnels and, of course, the glaciers and snow-capped peaks of the Canadian Rockies.
