2020

Rocky Mountaineer is pleased to continue our partnership with Holland America for our 2020 Rail & Cruise Vacations and have selected the ms Koningsdam, the first of Holland America Line’s Pinnacle-class ships. Combining 21st-century elegance and nautical tradition, the Koningsdam is inspired by music, her design featuring fluid lines, light-filled spaces and innovative, new dining and entertainment venue: from the dazzling, two-story World Stage to Music Walk™, with Lincoln Center Stage, B.B. King’s Blues Club and Billboard Onboard. The Koningsdam continues Holland America’s industry-leading environmental technologies such as her use of a diesel-electric power plant for optimal energy efficiency and an Azipod® propulsion system that maximizes maneuverability.

One of the most notable features of any Holland America Line ship is the remarkable collection of museum-quality art on board. The line’s newest vessel, launched in April 2016, features a remarkable collection of museum-quality art on board. With a collection worth \$4.1 million, a floating art gallery with 1,920 pieces that spans the decks, public rooms and staterooms, including the stunning Atrium sculpture, Adam D. Tihany’s “Harps”, an impressive 7.5-ton stainless steel sculpture that spans three decks.

The ambiance of the elegant ms Koningsdam will provide a comfortable, spacious and relaxing backdrop as you sail up the Pacific Coast to picturesque Alaska.
